

ADVERTISE WITH THE GOLF COLLECTORS SOCIETY!

The Golf Collectors Society is a non-profit corporation founded in 1970. We have over a thousand members who are avid golfers that play many more rounds per year than the average golfer, search for the newest and latest equipment, travel to play golf, collect memorabilia, and play in hickory shaft tournaments. To put it another way, they are golf nuts who are good prospects for you!

We offer a variety of advertising opportunities for qualified companies to reach our members. They include **display ads** in the quarterly publication, *The Bulletin* and the Annual Membership Directory; and **Bulletin inserts** (brochure or flyer).

Google-Style ads are available on our website at www.golfcollectors.com. The cost is \$50/month. We can also send an **email blast** to the GCS membership (approximately 900 addresses) at the cost of \$200.

For all of the above, purchase three ads and receive a fourth ad at no charge.

In addition, you may purchase a set of **GCS mailing labels** for one time use for \$400. Please see table below for all other pricing or phone 541-991-7313 for more information.
