YOUNG COLLECTOR MEMBERSHIP:

The age requirement for the young collector membership is 15-25. Grants will be awarded based on an expressed interest in learning more about golf collecting and golf history as documented in the short essay above. The grant is for a one year membership with the opportunity to reapply for a second year. You must be sponsored by a current GCS member. The number of grants awarded will be determined by the availability of funds.

GENERAL MEMBERSHIP:

The purpose of the Golf Collectors Society is to provide a congenial and convenient vehicle for members to share information, get better acquainted, trade among themselves, and to foster the study and publication of works which contribute to the preservation of the great history and traditions of the game of golf. The GCS is a non-profit corporation governed by a Board of Directors elected according to GCS Bylaws.

GCS Members receive our quarterly newsletter, ***The Bulletin***; and the ***Annual Membership Directory***, listing current members, contact information and collecting interests. Display advertising is available in ***The Bulletin*** and on the website. An ***Events*** page on the website offers a calendar of upcoming trade shows and hickory tournaments.

The GCS Board of Directors is comprised of five officers; ten regional directors, representing nine U.S. regions, and one international region; and up to six "Directors at Large". Regions host regional meetings, trade shows and hickory tournaments. A GCS Annual Meeting & Trade Show is held each year for the membership at large.
